

NEWS AND VIEWS . . .

And What Have You

By BOB CRAIG

This past weekend we attended the West Texas Press Association's Mid-Winter meeting in Midland. As part of the program, Gov. Preston Smith flew to Midland to speak to the press group on his views of the federal government's efforts to force down the price of domestic crude oil.

For some reason, this talk—billed as a major policy address by the Governor's office—failed to make even a small headline in any of the dailies outside of Midland. This is strange since all of Texas has a great deal of stake in the health of the oil industry.

The subject of the Governor's talk, or what triggered it, was the special cabinet committee report dealing with the oil imports program. The report was released Friday and in general it recommended abandoning quota controls and replacing them with a tariff system.

While President Nixon did not adopt the report and in lieu of either adopting the tariff plan or retaining the quota plan intact, the President ordered a change in administration of quota controls and a broader study of the whole energy problem in the northern hemisphere as well as with NATO and other friendly powers.

The effect of this action, according to Gov. Smith, is to grant a "stay of execution" to the American oil and gas industry. It is not a permanent pardon.

He said, "The original report is still there. The idea of fixing oil prices by government manipulation is not dead. We have a little more time—how long, I do not know."

While the quota system has had its problems, it has worked over the past decade. But, now some of the northern people are asking for quota free foreign oil and, as the Governor pointed out, the problem burst out of the economic area into the political arena.

Sometime last year the President appointed a special cabinet committee to study the problem but the committee turned it over to some ivory tower economists who know nothing about oil or its problems.

This group of economists—in the name of the consumer—decided that the quota controls should be replaced with a tariff system with the explicit purpose of driving down the price of domestic crude about 30¢ a barrel.

But what does all of this mean to you and me here in Hamlin? In the first place it would mean about a 10 percent cut in oil income and oil values in this area—at least. It could be more if this 10 percent cut put some of the independent operators out of business.

On the state level you could see your taxes go up considerably because just a 10 percent cut would mean a loss of \$15 million in production taxes. The gross income of

TO BE FEATURED — Soloists to be featured Friday at the Brownwood Stage Band Festival are, left to right, Terri Casey, alto sax, Gary Carson, trumpet, Tony Lewis, trumpet, Kevin Mehaffey, tenor sax, Helen Howard, piano, and Toni Casey, flute. A concert will be given

at the high school here Thursday at 2:30 p.m. The complete program to be presented at Brownwood will be open to the public. There are twenty-three members in the stage band. Tim Jones is the director.

Open House to Mark Public School Week Here Tuesday

The 20th annual observance of Public Schools Week will be observed March 2-6 throughout the state. Special emphasis will be given locally with open house activities in each of the four schools Tuesday evening.

Teachers will be in their respective classrooms and students will be on hand to explain the displays to guests.

In the primary building parents and friends are invited to visit from 6 to 8 p.m. Theme for the first grade rooms will be The Seasons. The second grades are using Springtime as a theme and the special education class is using Sailing on to Useful Skills and Fishing for Knowledge.

Students and teachers in

the elementary building will be greeting visitors from 6:30 to 8:30 p.m.

Hours for visitation at Junior High School will be from 7 to 8:15 p.m.

Principal Marvin Carlton says the faculty invites parents and friends of the school to visit and to view samples of children's school work and projects.

Nearly every room will have a poster display along with students' folders.

Probably the most interesting projects will be found in the art and science departments.

The high school building will also be open from 7 to 8:15 p.m. Principal B. V. Newberry is asking students to bring their parents to meet with the teachers and also see the many teaching aids that are now in use in the school.

The most recent addition to the equipment at high school is the Marcy 12-man exercise machine. This will be on display.

Sets Supper Sat.

Mission No. 2 of Oak Grove Baptist Church is sponsoring a Mexican Dinner Saturday evening in the Fellowship Hall.

Serving will begin at 6:30. The public is invited. Price per plate will be \$1.00.

Proceeds from the dinner will be used for current expenses of the church.

Annual Lions Pancake Feed Set for Tonight

The Hamlin Lions will start serving all the pancakes and bacon you can eat today (Thursday) at 5 p.m., according to Arlie Cassle, president. The occasion is the annual Lions Club Pancake Supper with the proceeds going to the club's youth activities.

HHS Stage Band To Compete In Brownwood Event

Twenty-three members of the Hamlin High School Stage Band will be in Brownwood Friday for the annual Brownwood Stage Band Festival. Class A, AA, and AAA bands will perform Friday.

Saturday AAA bands will continue and Class AAAA will be held.

Awards for Class A and AA will be presented at 7:50 p.m. Friday. A concert featuring Sam Houston State Teachers College stage band, under the direction of Harley Rex, will be held.

Judges for the event will be Charlie Mariano, alto sax professional from Berklee School of Music; Rex; Tim Dennis of Dallas, a musical commercial writer; and Don Jacoby, professional trumpet player from Dallas and New York.

The Hamlin band is scheduled to perform at 4:38 p.m.

The members will leave here at 8 a.m. Friday. There are 13 bands entered in Class AA competition.

The supper will be held in the high school cafeteria and the club will serve until 8 p.m. The club will also hold a pie and cake sale in conjunction with the supper.

Featuring all you can eat, the tickets may be purchased from any Lion or may be purchased at the door. The tickets are \$1.00 for adults and 75¢ for children.

Ellis West, chairman, will be assisted by Charles Hilburn and J. O. Murphree in conducting the pie and cake sale held during the pancake supper.

Other committees are as follows with chairmen listed first: W. T. Johnson, Leldon Clifton, ticket sales; Arlie Cassle, George Campbell, Henry Albritton, Haskell Carter, Ed Duncan, Mac Reid and Loyd Burkhardt, serving at tables; Bill Harbert, Joe Cortez, W. L. Hunter and Robert Fowler serving line committee; West, Bobby Crowley, B. V. Newberry and Murphree, pancake cooking committee; I. J. Starr, Bob Craig and Paul Cooper, bacon cooking committee; A. L. Gamble, James Crowley, Cecil Hardaway and Luther Haught, sanitation committee; Bill Davis, Hilburn, Ed Odom, James Wright, Ray Sonnenburg, Jimmy Spalding, Charles Reed and John Holtz, dishwashing committee. Ray Sonnenburg is general chairman.

First Good Rain of Year Falls Here This Week - 1.39

The first rainfall of any significance for 1970 was received in Hamlin during the weekend.

On Sunday, .17 was recorded at City Pump Station. A trace was noted Monday and then at 5 p.m. Tuesday .93 was measured. On Feb. 25, .29 was recorded to make the total for February 1.39.

National FFA Week Being Observed by Local Chapter

Vocational agriculture students in Hamlin High School are joining members throughout the nation in activities to emphasize the importance of agriculture during FFA Week, February 21-28.

The theme for this year's celebration is "FFA . . . emphasis agriculture." Throughout the week the young agriculturists are emphasizing the importance to this nation of a dynamic and prosperous agriculture. Not only are they informing the nation of the importance of agriculture to its citizens, but they are also seeking to inform the public of the vast opportunities open to young people in agriculture today.

"We have such an abundance of food in America that people seem to take farming and agribusiness for granted," said Milburn Wink,

Hamlin FFA Chapter advisor and vocational agriculture teacher. "Actually farming is now and always has been our nation's largest and most vital industry. As our population expands, it will become increasingly important for men and women to train to meet the demand for food."

"It is fortunate," Wink added, "that many of the young men in our community have the opportunity to participate in the FFA. Through this program they not only learn about all aspects of modern agriculture, but they have an opportunity to develop leadership skills and work together to build a better community."

Locally, members of the Hamlin FFA Chapter held their annual FFA-FHA Fun Night as a part of their FFA Week celebration. Mem-

bers of the FHA were guests of the FFA at a game night in the gym Tuesday night.

Membership in the FFA is made up of high school students in vocational agriculture. The organization's activities are designed to help develop leadership and good citizenship and to stimulate student interest in higher achievement. While for many years the FFA has devoted its main efforts toward establishing young men in farming, it also is working to train and develop men for thousands of jobs which support the nation's farmers and provide consumer services.

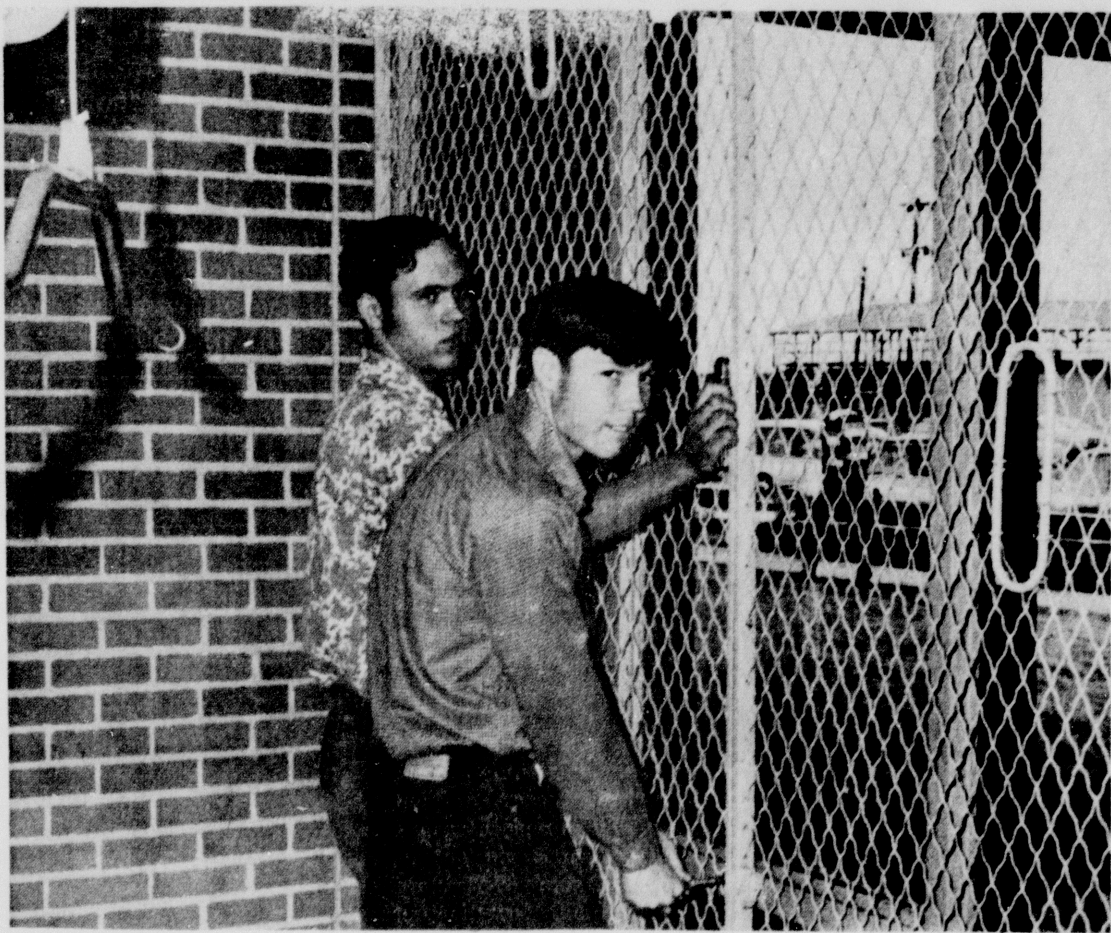

The Hamlin FFA Chapter has 75 members. Officers for 1969-70 are Bill Hodnett, president; Spencer Ford, vice-president; Davis Weaver, secretary; Edward Johnson,

And What Have You

By BOB CRAIG

Continued from page 1

the oil industry in Texas could shrink as much as \$350 million a year.

The University and Permanent School Funds would lose about \$3 million a year and this would have to be made up somewhere.

At the local level another 10 percent cut in the declining oil value in the Hamlin School District would mean even higher taxes for everyone.

And what would be this great big benefit to the average consumer? It is doubtful if we would ever realize any of it since like food the cost of the raw product has little to do with the finished item when it is delivered to the consumer. The price of refining, transporting, marketing and so on would not be lowered.

Added to this is the fact that

the whole idea of foreign oil quotas was to keep the American oil industry healthy so that we would not have to depend on foreign oil. And if you think that it is not important for us from the stand-point of national defense to be independent of foreign oil, especially oil from the Middle East—just read almost any day's papers and see where some little country is threatening to put the squeeze on the oil firms operating in their country.

The whole point is that it is doubtful the change would really benefit the consumers in non-oil producing states as the economist would have us believe and could prove an economic disaster to the oil producing states and to the domestic oil industry.

Stanley Jackson called me the other night and said that he read with interest the table of figures on the prime interest rate and that he wanted everyone to take note that the only time the rate jumped a full one percent was during the current Republican administration.

DR. H. DOYLE RAGLE

. . . to conduct meeting Mar. 4

Area Methodists To Hold Meeting Here Wednesday

Methodist Churches in the area will convene here in the Fellowship Hall of First United Methodist Church Wednesday, Mar. 4, at 7 p.m. for a presentation on what the United Methodist Church as a whole is doing in the program of Benevolent Giving.

Dr. H. Doyle Ragle, Abilene District Superintendent, will present the entire program using film.

Rev. Cecil Hardaway, pastor of First United Methodist Church, joins the congregation in welcoming members of Faith United Methodist and McCauley United Methodist Churches. He says, "This is a time when the entire family can enjoy Christian fellowship and receive valuable information."

Dr. Ragle served as associate executive secretary of the Northwest Texas Conference Council with offices in Lubbock before moving to Abilene. He has served as pastor of churches in Vernon, Canyon, Munday, and Wylie and the Plainview Mission and the Hamlin Mission Circuit. He was director of Religious Life and taught in the department of religion at McMurry College for five years.

HAD VISITORS? That's news, call the HERALD.

Piper Tracksters to Compete Saturday In Colorado City Meet

The Pied Piper track team will compete in its first meet of the season Saturday in Colorado City, according to Larry Butler track coach.

The team will be entered in six meets this season before the district meet to be held in Anson April 16. The Piper tracksters will compete in the big San Angelo meet Mar. 27-28 and Coach Butler has entered them in one of the top meets in West Texas to be held in Amarillo, April 3-4.

Other meets entered are Winters, Mar. 7; Anson, Mar. 14; and Ranger, Mar. 21.

The regional meet will be held in Lubbock again this year on April 24-25, and the state meet will be held in Austin, May 7, 8, 9.

Top contenders from last year on the team are Robert Bolden in the sprints and the broad jump, Charlie Sellers in the 440, Gary Maberry in the discus, Barry McDonald in the shot put and George Cooper in the high jump.

Coach Butler said that Bolden qualified for regional in the broad jump last year.

County Wants Share of Money From Projects

Jones County Commissioners want their share of the money presented in lieu of taxes by housing authorities in the county and they have taken steps to see what can be done about the matter.

Although the housing authorities are tax exempt, there is a provision by which they make contributions out of their surplus to taxing bodies.

Such authorities exist in Stamford, Hamlin and Anson but, according to County Judge Leon Thurman, the county has not received any of the contributions. A communication from a regional FFA office brought the information that the county should get its pro rata part of the contributions.

and should have a good chance going all the way in that event this year.

Entered in the Colorado City and Winter meets are:

440 relay — Bolden, Sellers, Abner Johnson and Shelton Marshall.
880 — Steve Baker.
High hurdles — Guy Clifton, Jackie Warner.
100 yd. dash — Bolden, Regional Titus, Johnson.
440 — Sellers, Milton Jones, and Duane Stewart.
220 — Titus, Marshall and Bolden.

Mile Relay — Sellers, Stewart, Cooper and Warner.

High jump — Cooper.

Broad jump — Bolden, Marshall and Johnson.

Discuss — Maberry, Daily Ponder and Stewart.

Shot put — McDonald, Ponder and Charles White.

330 hurdles — Clifton, Warner and Baker.

Mile run — Arthur Vandant and Mike Cary.

FFA WEEK—

Continued from page 1

treasurer: Steve Teichelman, reporter; and Charles Sellers, sentinel. Charles Sellers is also treasurer of the Stamford FFA District Association.

Nationally, the FFA has approximately 450,000 members with 9,000 chapters in 49 states (Alaska has no FFA program), Puerto Rico, and the Virgin Islands. Membership in Texas totals approximately 50,000 members.

Each year FFA Week is observed during the week of George Washington's Birthday. Although Washington is usually recognized as a Revolutionary War General and our first President, it is not generally known that his first love was the farm. He was one of the first in the nation to practice contour planting, crop rotations, fertilization, and other soil improvement methods.

The Church Building

This is only a building, but it is a special building for it is the worship place for God's people. It is a place where one may go to study and hear God's word preached.

"... faith cometh by hearing, and hearing by the word of God."

If there are unanswered questions in your mind... go... seek... and find God in his house

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Trendley-Norton Vows Read In Oklahoma City

Sharon Fowler Trendley, daughter of Mrs. Sam Fowler and the late Mr. Fowler of Oklahoma City, Okla., and John Eldon Norton, Tuscaloosa Ala., son of Rev. and Mrs. Joe Norton of Hamlin were married at Oklahoma City Feb. 13.

The bride is a graduate of Oklahoma City University and a member of American Association of University Women. She has been employ-

ed at the Oklahoma State Health Department.

The bridegroom is a graduate of Hamlin High School, and has a B. S. degree from Bethany Nazarene College at Bethany, Okla., and M. S. and Ph.D. degrees from Oklahoma University at Norman, Okla.

He is a professor of microbiology at the University of Alabama at Tuscaloosa.

The couple is at home at 1216 12th St., Apartment 20, Tuscaloosa.

Bridge Winners

Harry Yates of Stamford and Preston Morrow of Rotan were first place winners at the Tuesday evening meeting of Hamlin Duplicate Bridge Club.

Mrs. Floyd Briscoe and Mrs. Preston Morrow were second; Mrs. Dale Lain and Mrs. Ray Sonnenburg, third; and Mrs. Harvey Elkins and Floyd Briscoe placed fourth.

The club will be meeting at 7:30 p.m. beginning Tuesday. The group meets each Tuesday evening in the Hamlin Jaycee Community Building.

Mrs. Laverne Lindsey and Mrs. Thelma Greer of San Antonio were visitors in the home of Mr. and Mrs. Audrey Hodnett last week. They also visited with their father, A. A. Miller at Holiday Lodge.

Mrs. Luther Haught Hosts B&PW Club

Mrs. Luther Haught was hostess for the Business and Professional Women's Club covered dish supper Tuesday evening.

Mrs. Mac Reid, president, presided.

The next meeting will be Mar. 10 in Anson.

Charlie Letzes to Observe 50th Anniversary Mar. 7

Mr. and Mrs. Charlie Letz will celebrate their 50th wedding anniversary Saturday, March 7.

Hosts for open house from 2 to 5 p.m. at the Letz home at Old Glory will be their children and their spouses, Messrs. and Mmes. O. D. Vanderworth, Denver, Colo.; Jerry Callicote, Midland; Roger Letz, Fort Worth; and Thomas Letz, Wichita Falls. Grandchildren will be members of the house party.

Both Mr. and Mrs. Letz were reared on farms north of Old Glory. Both attended school at Hooker. She was the former Adeline Dippel. After their marriage on March 2, 1920, they farmed a few years.

In 1924, he became the first rural mail carrier out of Old Glory, serving the people north of town on a tri-weekly route. A few years later it became a daily route and was extended a number of times throughout the years.

Mrs. Donald Young Elected Literary Club President

Mrs. Donald Young was elected president of the Woman's Literary Club at the annual business session held Friday. The meeting held at Harden Memorial Library, featured a program on a survey of today's education.

Other officers elected were Mrs. Jackie Williams, first vice president; Mrs. Joe Simpson, second vice president; Mrs. Robert Wilson, recording secretary; Mrs. Charles Hilburn, corresponding secretary; Mrs. W. A. Cassle, treasurer; Mrs. Loyd Burkhardt reported; Mrs. E. E. Monkes, musician; and Mrs. Dick Maberry, librarian. Mrs. L. H. McBride, president, presided.

The symposium on education was presented by Mrs. Earl Brown who discussed "How to Enhance Pupil Self Esteem," Mrs. W. A. Cassle on "Some Questions About Questions," and Mrs. A. B. Carlton who spoke on "Patience equals Quality."

The need for teacher and parents to examine themselves and let the child know that they think he can do things was emphasized. Also noted was "How you see yourself is how you see the world."

"If teacher and parent are patient, the child will be patient, but the \$64 question is 'How does one acquire patience?'" was brought out.

The next meeting will be Mar. 6 at 2 p.m. in the home of Mrs. Charles Reed.

Sally Carlton, Jimmy Hastings Exchange Vows

Sally Carlton, daughter of Mr. and Mrs. Weldon Carlton, and Jimmy Lee Hastings, son of Mr. and Mrs. Lee Hastings, all of Hamlin, were married Feb. 18 at 6:30 p.m. in the First United Methodist Church in Cisco.

Rev. Robert Evans, pastor, officiated. Margaret Cooper of Hamlin was maid of honor. Best man was Milton Davis of Arlington.

The bride wore a yellow wool dress and carried a bouquet of yellow daffodils and white gardenias.

The bride, a graduate of Hamlin High School, was a sophomore in Texas Tech University, Lubbock.

The bridegroom, a HHS graduate, attends Cisco Junior College where he is president of the student body and in the college stage band.

The couple is at home at 1208 Park Drive in Cisco. They both plan to attend the University of Texas at Arlington in the fall.

NEWS FROM

Sylvester

By MRS. R. M. BARR

Cloudy this Monday morning and we had another 29 in. of rain Saturday night. Looks like we may have some more.

Seems as if every one is doing better but some have been real sick even though not in a hospital. However I don't think there would have been room for many more.

Mrs. Lee Sanders spent several days in Callan hospital in Rotan.

Guests in the Chub Hardwick home Sunday were her parents, the Morgans from Abilene.

The Junior Faye Dozier children of Anson visited with their grandparents, the Faye Doziers over the weekend, they attended Sunday School and Church on Sunday morning.

Visiting in church and Sunday School on Sunday morning with Fred and Glenna Ray Turner were their two granddaughters from Brownfield. They are with their grandparents while their parents, Buster and Sharon

were in Alaska due to the death of Sharon's father.

Mr. and Mrs. Mike Dobbs and Mikelyn of Euless visited in the Woodrow Lawlis home over the weekend.

Mrs. Pote Perales and son, Louis, spent several days in San Antonio last week visiting with a son and a daughter that lives there.

Visiting in the home of their grandparents, the W. B. Browns over the weekend were Eric and Shelia Prather of Sweetwater. They also attended church with their grandparents.

Mrs. E. M. McCreight was released from Anson hospital last Thursday after a stay of some three weeks due to a car accident.

Shopping in Sweetwater Saturday afternoon were Mrs. Buford Brown and Mrs. Bill Petty.

Mr. and Mrs. Billy Joe Jeffrey are parents of a girl, Sharon Denise, born Feb. 23 at 1:25 a.m. She weighed 7 lbs. 2 oz.

Notice to the Public: Any erroneous reflection upon the character of any person or firm appearing in these columns will be corrected gladly and promptly, upon its being brought to the attention of the management.

New Camaro. Feb. 26th.

We've never announced a car at this time before. But then nobody's ever announced a car like this before.

Super Hugger

If it were an ordinary sportster, we'd have introduced it at the ordinary time.

Instead, we took the time to build a whole new Camaro.

We started with a sleek new shape and a low road-hugging stance.

And added more hood. A faster fastback. Wider doors. And new deeply contoured bucket seats.

The instrument panel wraps around you. With enough dials to make you think you're piloting a 747.

There are four transmissions. And six power plants up to the Turbo-Jet 396 V8 that you can order.

Pick the one that best suits your driving. Then go pick on an open road.

And make it one with plenty of twisting turns. Because Camaro has a remarkable new suspension. And standard front disc brakes for a leech-like grip on the road.

New Camaro. The Super Hugger.

Other sportsters always feared it might come to this.

And they were right. Only their timing was wrong.

Putting you first, keeps us first.

CHEVROLET

See it. At your Chevrolet Sports Dept.

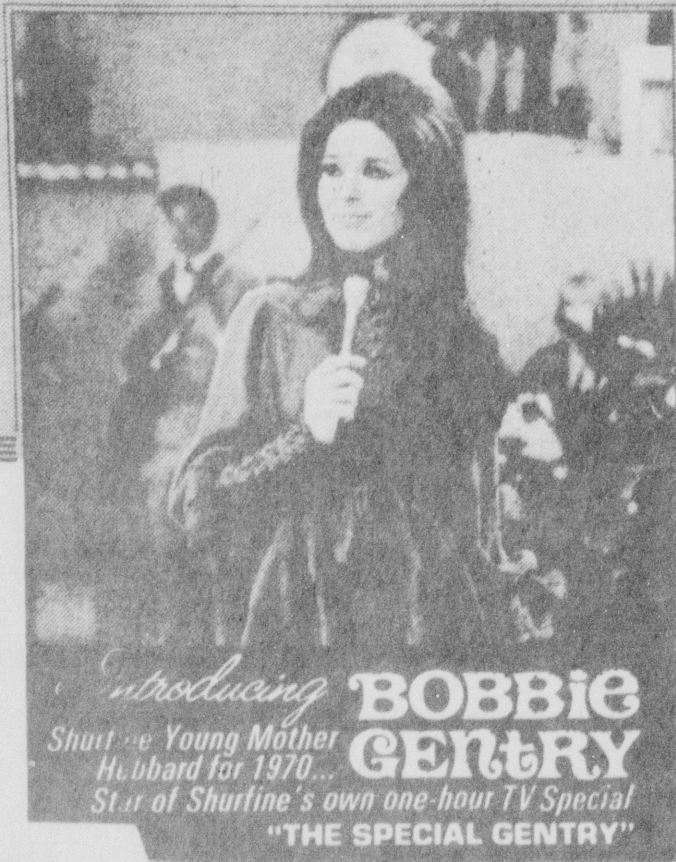

Camaro Sport Coupe with RS equipment.

Jaycees Planning Program to Teach Youth Gun Safety

The Hamlin Jaycees will sponsor a shooting education program locally as a part of a national effort by Jaycees to teach good gunmanship to youngsters across the nation. The project is co-sponsored by Daisy/Heddon.

Local chairman is Sam Mack Hodges. The program is open to all boys and girls 7 to 14 years of age and instructs in all phases of good gun shooting and proper gun handling. The course will last a minimum of three weeks

and possibly more if interest is high and the shooters are good. This program, using B-B guns could lead to the state finals, Hodges said.

The first of the weekly lessons in the new Shooting Education Program is scheduled for 1:30 to 4 p.m. Saturday, Mar. 14, at the Jaycee Building.

All interested boys and girls are urged to attend the first meeting as they will not be able to enroll later.

Chairman Hodges says that parents are invited to attend and "maybe they can learn something, too."

Rites Held Monday For Mrs. Early, 84

Funeral for Mrs. Maggie Lee Early, 84, of Hawley was held Feb. 17 in Elliott's Chapel of Memories in Abilene with the Rev. Tom Hiser of Hawley Baptist Church and Dr. Elbert Peak, pastor of Corinth Baptist Church officiating.

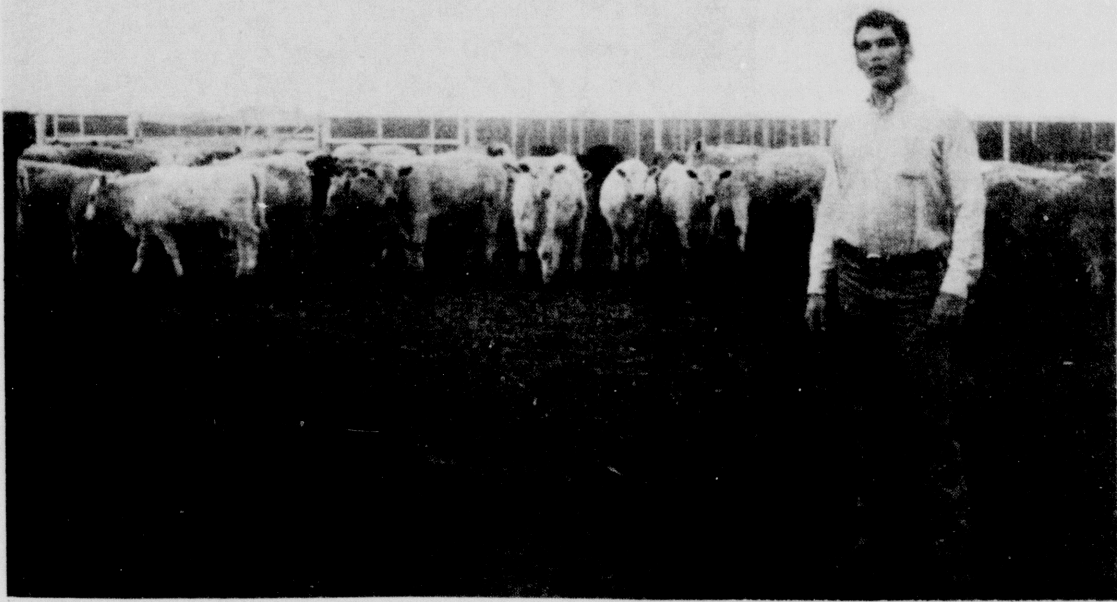

Mrs. Early, mother of Mrs. Willie Tabb of Hamlin, died at 8:25 p.m. Feb. 15 in Hendrick Hospital in Abilene. She had been a resident of Jones County since 1905.

Survivors include three daughters, three sons, a twin

sister, 25 grandchildren, 44 great-grandchildren and one great-great grandchild.

BEEN ON A TRIP? That's news, call the HERALD.

Mr. and Mrs. Charles Reed, Keith and Cayce were in Graham during the weekend for the funeral of his uncle, W. E. Reed of Hugoton, Kansas. Services were held in Graham Sunday.

AREA II AWARD WINNER — Charles Sellers was Area II winner of the Texas and Southwestern Cattle Raisers Award with a large number of beef cattle in his FFA projects. His projects of nearly 350 head of beef cattle last year pushed feeding beef projects to the top money making enterprise of the chapter.

VFW to Sponsor Free Bike Tape

The Hamlin Veterans of Foreign Wars, Post 6014, are sponsoring a safety program for bike riders by furnishing bicycle and motorcycle riders with free Lite a Bike Tapes.

The tapes are available from Chief of Police Bryan Wasson or at service stations.

A spokesman for the VFW said the tapes not only decorate the bicycles but may also save lives by making the vehicles more noticeable.

Three File for Two Places On Council

Three candidates have filed for positions as aldermen on the Hamlin City Council.

Filing this week were Charles E. Connally, owner of Connally Ford Sales, D. W. Cowan, works manager at Celotex Corp., and Joe E. Ford, cashier at Farmers and Merchants National Bank, who is filing for re-election.

Projects Are Big Business for Local FFA Chapter Members

From their productive enterprises last year, members of the Hamlin FFA Chapter made \$51,893.36. Fifteen different types of projects were raised. Feeding beef projects were the most profitable. Nine members raised 409 head of beef animals and the profit from these projects was \$17,788.67. Breeding beef animals were the second most profitable projects. Twelve boys raised 126 head of beef cows for calf production and five boys raised 9 beef heifers. Total profit from these projects was \$13,829.86.

Swine projects were the most popular projects. Twenty three members raised market hogs, eleven members raised sows, and 4 members had gilts for pig production. Profits from the breeding swine was \$4,128.55, and \$3,842.21

was made from the market swine.

Other good money-making projects were cotton, grain sorghums, and small grains. Six boys made \$8,532.29 on 262 acres of cotton. Four boys made \$2,858.35 on 97 acres of grain sorghums. Seven members made \$1,213.04 on 112 acres of small grain (wheat and rye).

Poultry projects, rabbit projects, gardens, and horse projects proved less profitable. Three members made \$111.16 on 150 broilers. One member made \$16.75 on 19 guineas and another member made \$5.63 on 20 hens for egg production. Fourteen members made \$38.26 on 51 breeding rabbits. Two members made \$22.47 on gardens. The only type project which proved unprofitable overall was mares for colt production. Two members lost \$493.91 on two mares.

All FFA members and students of vocational agriculture in the Hamlin school system are required to have a supervised farming program. This is commonly referred to as the student's project. However the supervised farming program is actually divided into three parts, the productive enterprise, improvement projects, and supplementary farm jobs.

The productive enterprise consists of raising some type of livestock or poultry (either feeding projects or breeding projects) or some crop.

Improvement projects generally involve a series of jobs which are performed by the student to improve the appearance or sale value of his home or to make the farm more efficient or profitable to operate.

Supplementary farm jobs are jobs students perform in order to learn how to do a farm skill or to improve his efficiency in performing the skill.

Gary Cauble On Dean's Honor Roll

Gary Cauble, son of Mr. and Mrs. J. C. Cauble, Route 1, has been named to the Dean's Honor Roll for the 1969 fall semester at Oral Roberts University, Tulsa, Oklahoma. Gary is a sophomore business major.

The Dean's Honor Roll consists of students who have earned a 3.5 grade average or better while enrolled in 14.5 or more semester hours. A total of 103 ORU students are included on the honor list.

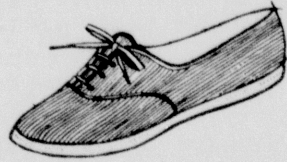

ORU is a private, liberal arts university, now in its fifth year of operation. Degrees offered by the University include the Bachelor of Arts in 13 majors, the Bachelor of Science in four majors and the Bachelor of Music Education. Four pre-professional areas of study are also available.

The Veterans of Foreign Wars, Post 6014, and the Ladies Auxiliary will meet Tuesday night, Mar. 3, for a regular business session.

All members are urged to attend.

HAD A PARTY? That's news, call the HERALD.

Special orders for cakes and pies may be made with Mrs. Wicker at 576-2307.

Reading Center to Show New Approach to Education Tuesday

Something new is happening to what educators refer to as "the foundation of education" — reading.

The Reading Center personnel of the Hamlin School System invites you to become more familiar with the new materials and equipment, Tuesday, March 3rd from 6:30 to 8:00 p.m.

Teachers Mrs. Tobye Weaver and Mrs. Suzanne Jones keep over 117 children interested, participating and busy daily. The children seem to know exactly what they're doing although a casual observer might be a little confused.

In one corner of each teacher's room, the teachers help the children with a programmed controlled reader-project. This group is increasing its reading speed and comprehension.

In each room stands a low table surrounded by small children. On the table is a box filled with reading lessons keyed with color labels. As each student comprehends a lesson he moves on, on his own, to the next more difficult reading.

Political Announcements

FRANK ALLEN

E. J. (Junior) KIKER

At the Listening Lab, penil in hand, earphones adjusted, (so as not to disturb the rest of the class), pupils listen carefully to tapes graduated in difficulty, that cover every area of reading from phonics to comprehension. The children can help you plug in and listen if you can't figure out how to do it yourself. They know how.

The children are divided into groups according to their reading skill. Silent reading groups, two periods per week; listening skill (tape recorder or records) and comprehension questions, one period per week; workbooks, one period per week; Listening Lab, one period per week.

Also library, free time; reading skill games, as time permits; Reader's Digest Skill Builders, one period per week; SRA (reading laboratory) one period per week; individual reading, two periods per week; controlled reader groups, two periods per week; Tach X machine and filmstrips, five minutes per day; Language Master machine, as needed by individual; TRY experience, pictures, papers and alphabet titles one period per week.

Preparation for the reading program would be impossible were it not for help received from their teacher's aides, Mrs. Patsy Knox and Mrs. Mary Ann Smith. They help prepare all of the previously listed materials and accompany the children to the center from their regular classrooms.

Each week new stories are read and new skills developed. At the beginning of the year, the children are tested using group and individual written tests and oral reading tests. Following the testing, books are selected according to the child's need. At the present time, the 117 children are in 20 different groups and reading in 10 different level books.

The entire reading program is based on the theory that each child should begin at a level where he can read and comprehend fluently and should advance in reading level as far as he can go in a given year, independent of the other children.

Weekend events should be reported to the Herald by noon Monday.

Ahh... electric heat

Everyone appreciates electric heat. It's the clean and modern way to heat your home. There are no sweating walls, no open flames, no soot or smoke. Automatic electric heat adds comfort, convenience and value to any home. And with the dependable supply of low cost power furnished by the Midwest Electric Cooperative, electric heat is economical. So if you want to gladden the hearts of every member of your family go "all electric." The electric heating experts at the Midwest Electric Cooperative will be happy to help you with your planning.

Judge Revokes Probation of Junior Lujan

The probation of Junior Fermin Lujan, 18, 320 N. E. Ave. A, was revoked by County Judge Leon Thurman Feb. 18.

On Dec. 29, 1967, Lujan was charged with aggravated assault with a knife on Kenneth Roy Stephens. Lujan was a juvenile at the time of his arrest. He was placed on probation and released to his parents Jan. 8, 1968, after a hearing in Juvenile Court. On Mar. 8, 1968, after being expelled from school he was declared to be a delinquent child and placed under the jurisdiction of the Texas Youth Council. His probation was continued.

AWARD WINNER — Spencer Ford, son of Mr. and Mrs. H. L. Ford, was a state winner of the National FFA Foundation Award in Agricultural Mechanics last year. He is a senior at Hamlin High School.

AREA II WINNER — Bill Hodnett was named Star Lone Star Farmer of Area II and placed fourth in the state Future Farmers of America. Bill, son of Mr. and Mrs. Wayne Hodnett, is a senior.

Several Local FFA Members Have Received National Awards

All national awards for outstanding accomplishment by Future Farmers of America members, and many of those offered on a state and local basis, are provided by the Future Farmers of America Foundation. The Foundation was established in 1944 to provide business and industrial firms, organizations and individuals with an opportunity to cooperate in furthering the programs of the Future Farmers of America.

More than 450 donors make annual contributions to the FFA Foundation. The money is used to finance an award system to recognize those FFA members whose accomplishments have been outstanding, thereby stimulating them to work and study harder, and to achieve more in their pursuit of an education in agriculture.

Several members of the Hamlin FFA Chapter received National Foundation Awards last year. Receiving medals on the local level were Gene Stovall, Public Speaking; Bill Hodnett, Crop Farming; Gil Lain, Livestock Farming; Davis Weaver, Soil and Water Management; Spencer Ford, Agricultural Mechanics and Farm and Home Electrification; Carlos Gonzalez, Star Green Hand; Charles Sellers, Star Chapter Farmer; and Bill Hodnett, Star Lone Star Farmer.

Bill Hodnett was named Star Lone Star Farmer of the Stamford FFA District and Charles Sellers was the Star Chapter Farmer of the district. Both received plaques.

From the Area II FFA Association Bill Hodnett received the title of Star Lone Star Farmer, Gil Lain was named livestock farming winner, and Spencer Ford was named agricultural mechanics winner. They each received a plaque and \$25 in cash. As runner-up for Area Star Chapter Farmer Charles Sellers received a plaque on the area level.

Gil Lain was named state winner in the livestock farming award and Spencer Ford was the state agricultural mechanics winner. Each received plaques and \$100.00 cash award. As a runner-up for Star Lone Star Farmer of Texas, Bill Hodnett received a plaque on the state level.

Bentzen Senator for the Seventies.

NEWS FROM ...

Old Glory

By Bernice D. White

Heavy fog and light rain are covering the area as this is being written on Monday morning. Some parts of the community are reporting that they have received about a half inch of rain since Sunday. More is needed for the wheat and other small grain.

Mrs. Gene Ferguson of Lamesa was here recently visiting Mr. and Mrs. Beno Hertenberger, Mrs. Katie Gerloff and other old friends. Mrs. Ferguson is the former Mozelle Willman.

Mrs. George Rhoads and children, Sherry and Tom Lee, and her mother, Mrs. Nora Offill, visited the Floyd Offill family in Amarillo recently.

Mr. and Mrs. Morris Garner and Mrs. Willie Fletcher spent the weekend in Abilene with Mr. and Mrs. Loy Zane Garner and children.

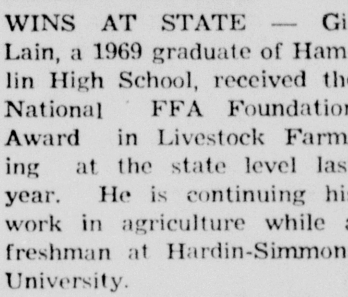

Mr. and Mrs. J. C. Gholson spent last weekend in Wichita Falls with their daughter and family, Mr. and Mrs. Bob Coats and children.

Mrs. C. M. Lewis of Comanche is here spending several weeks in the home of her daughter and husband, Mr. and Mrs. Herman Dugan.

Mr. and Mrs. Erwin Diers visited their daughter, Mrs. Helen Cox, and her family in Austin last weekend.

Mr. and Mrs. Dalton Gill and Mitch spent last weekend in the Big Spring area visiting relatives.

During any given year FFA members receive approximately \$230,000 in awards that are provided by the Future Farmers of America Foundation. About 80,000 students receive medals each year. Any member may submit an application and compete for these prizes and awards that range from a medal for top achievement in the local chapter to \$1,000 for the Star Farmer of America Award.

WINS AT STATE — Gil Lain, a 1969 graduate of Hamlin High School, received the National FFA Foundation Award in Livestock Farming at the state level last year. He is continuing his work in agriculture while a freshman at Hardin-Simmons University.

Gil and Spencer both represented the state of Texas in competition for the South-

ing relatives.

Mrs. Elmore Thomas of Mineral Wells and Mr. and Mrs. Bishop Camper of Roswell, N. Mex., spent several days here this week visiting their mother, Mrs. H. E. Carr.

Mr. and Mrs. Orthell McDowell attended the funeral of a brother-in-law, T. W. Current in McCauley Tuesday of last week. His wife, the former Zenobia Jordan, was once a resident of this community and attended school here for several years.

On Tuesday, March 3, the Old Glory Pirates will meet Hawley in the Stamford gym, for the bi-district basketball game. The game is scheduled to begin at 7:30 p.m.

The Old Glory boys scored a perfect 14-0 record when they defeated Rule in their final district game of the season last week.

Mr. and Mrs. Larry Don Brown are the proud parents of a baby boy, Larry Don Jr., born Tuesday, February 17th, at the Haskell Hospital.

The father is presently stationed in Viet Nam. The mother is the former Nancy Vahlenkamp. The Browns have a daughter, Janie Kay, 14 months.

The maternal grandparents are Mr. and Mrs. Herbert Vahlenkamp, and the paternal grandparents are Mr. and Mrs. W. M. Brown of Corsicana.

Time to Start Spraying of Fruit Trees Agent Says

Owners of peach, apricot and plum trees should start soon a regular spray program if they have problems with peach leaf curl and brown rot on their fruit, says County Agent Kirby Clayton.

The recommended treat-

ment for brown rot is a spray mixture of wettable sulfur mixed at the rate of 1 lb. per 17 gallons of water and sprayed on the trees while the fruit tree is in the pink bud stage. Three or more sprayings may be necessary — one at petal fall and the third 25-30 days later.

For peach leaf curl the agent recommends spraying now with fixed copper or Bordeaux mixture, and after the leaves open spray with

FERBAM at the rate of 1½ tablespoons per gallon of water. Using fixed copper after the leaves have opened will result in burning of the leaves.

For further information on the control of fruit tree diseases, call your county agent's office.

Mr. and Mrs. Elmo Bellah visited their son, Major William L. Bellah, and family in San Antonio last weekend.

High Scholarship Is Major Goal Of FFA Through Award Program

To promote scholarship among its members the Hamlin FFA Chapter posts two honor rolls and gives awards for scholarship at its annual Parent-and-Son Banquet. A temporary honor roll is posted each six weeks in the vocational agriculture class room bulletin boards. A permanent honor roll is posted for each semester.

To have his name placed on the honor rolls a FFA member must make an "A" in vocational agriculture, have a 90 or above average overall for the "A" average honor roll, or have over 80 but less than 90 for the "B" average honor roll.

At its banquet, the chapter gives a scholarship medal to the member having the highest scholastic average. All members have an overall average of 90 or above are given a certificate of merit for scholarship by the chapter.

The Sophomore Class was the scholastic leaders for the fall semester of the 1969-70 school year. 47.2% of the class made an "A" in vocational agriculture and 64.1% of the class made either the "A" or "B" average honor roll. In the Senior Class 40% made an "A" in vocational agriculture and 46.2% made the "A" or "B" average honor roll. 25% of the Junior Class made an "A" in vocational agriculture and 53.8% made the "A" or "B" average honor roll. In the Freshmen Class 25% made an "A" in vocational agriculture and 32.2% averaged "A" or "B".

Members making an "A" in vocational agriculture for the fall semester were: Ricky Gruben, Kenneth Payne, Alton Trotter, Johnny Howard, Ricky Rodgers, Rodney Rackley, Spencer Ford, Bryce Fowler, Carlos Gonzalez, Earl Webb, Edward Johnson, Ken

Shira, David Thompson, Davis Weaver, Troy Early, Bill Hodnett, Charles Sellers, Larry Jayroe, Roy Baker, Guy Clifton, Mike Donham, Oscar Guerra, and Mark Maddler.

Ricky Rodgers and Rodney Rackley both made all "A's". Alton Trotter, Ken Shira, and Johnny Howard all made the "A" average honor roll.

FFA members making the "B" average honor roll were: Leldon Clifton, Mike Donham, Bryce Fowler, Earl Webb, Steve Baker, Ricky Gruben, David Thompson, Edward Johnson, Charles Sellers, Spencer Ford, Carlos Gonzalez, Larry Jayroe, Tom Max Hogan, Duane Stewart, Guy Clifton, Bill Hodnett, Robert Sanderlin, Troy Early, Oscar Guerra, Davis Weaver, Mike Robbins, Danny Wood, Roy Baker, Charlie Thompson, Mark Madden, Eddie Marentes, Gene Stovall, Larry Robertson, and Joe Mayes.

Mrs. Jerry M. Hughes, John and Mitzi of Andrews are visiting her mother, Mrs. Richard Bates.

Hamlin High Happenings

Piper Patter

by Mary Wallace

After a rousing week of six-weeks tests, students resumed their normal routine at Hamlin High last Monday. Results of the fourth six-weeks efforts were displayed on report cards which were distributed today.

The cast of the 1970 Senior play began rehearsals last week. Each member of the cast is working diligently to learn his lines and cues. The play is to be given in March. The Juniors also have begun planning for their play that will be given after the Senior Play.

Students interested in golf and tennis met last week to have their pictures made for

the annual. Various other groups of students have begun working out for participation in spring sports. HHS is also looking forward to the official opening of track season.

Track coach is Larry Butler.

The band is busy preparing music for competition in the Sweetwater Festival, March 7. The three numbers that the band will be playing are "March Des Parachutistes," "A Festival Prelude," and "Masque." Also several members will be playing their solos and ensembles for judging.

The stage band has been working very hard preparing for the Brownwood Festival

which will be tomorrow, Feb. 27. They will be presenting the same music that they played at the Hardin-Simmons Festival.

The annual FFA-FFA Fun Night was held last Tuesday night in the Hamlin School Gymnasium. The students played volleyball, jumped on the trampoline and participated in various other activities.

Mother of Former Resident Dies

Mrs. Raymond (Lena Elizabeth) Vaughan, mother of Mrs. Wilson Brannon, a former Hamlin resident now living in Mineral Wells, died at her home in Mineral Wells Feb. 5.

Funeral services were held Feb. 7 at the First Baptist Church where she was a member.

She is survived by her husband, four daughters, two sons, one sister, two brothers and 17 grandchildren.
